

"Buy it Because It's A Studebaker"

The Opinion of the Majority of Wagon Buyers is that the Studebaker is the Best and Most Economical Wagon

Every year almost twice as many Studebaker wagons are sold as any other make.

People who know wagons have been buying "Studebakers" for nearly 60 years. They're buying more today than ever before.

A Studebaker wagon is bought somewhere every two minutes.

Studebaker wagons wouldn't sell at this tremendous rate unless they gave more value than other wagons. Let us tell you why—it will put you under no obligations whatever.

Just received, a car load of the celebrated Studebaker Wagons. Will make it to your interest to see us before buying.

Electrically Started
Electrically Lighted
Five-Passenger

ASK THE man whose judgment in automobile construction you respect most, to give you the ideal specifications and equipment for a four-cylinder, five-passenger car.

Tell him that it must be of the highest quality, and electrically started and lighted.

Check the specifications he gives you by those of the Studebaker FOUR and you will be astonished at the completeness with which all the important essentials are included in the following list:

Full floating rear axle—Timken bearings throughout—alloy steel exclusively—long stroke, small bore motor—cylinders cast en bloc—enclosed valves—exhaust and intake manifolds integral—108 in. wheel base—full-elliptic rear springs—32x3½ in. tires—left hand steering and centre control—detachable demountable rims, with extra rim—gasoline supply beneath cowl—clear vision and rain vision, ventilating windshield—Studebaker Jiffy curtains—illuminated speedome-

ter, oil feed and electric current indicator—clean running board—Gray & Davis best parabolic lamps—electric horn and full supply of tools.

He will hesitate to put a price upon such a car unless he knows that his ideal is actually being built and sold by us for \$1050.

Only the magnitude of Studebaker operations makes the price possible.

WOMEN VOTED IN DROVES

Swarm to Polls to Oppose Liquor Licenses—Dry Twelve Counties.

Chicago, April 7.—Illinois women swarmed to the polls today in nearly 600 townships and as a result of their activity it is estimated that at least 12 counties have been added to the 39 which now bar saloons.

Of the larger cities were voted from wet dry: Bloomington, Decatur, Belvidere, Canton, Freeport, Galesburg, Joliet, Monmouth, Kewanee, Lockport, Elgin and East Galena.

The following cities remained wet: Springfield, Quincy, West Galena, Rock Island, Dixon, Aurora, Waukegan, Alton and Moline.

Conservative estimates based on actual reports from townships show that more than 1,000 saloons today were voted out of existence in the State outside of Chicago.

TO EXPEL SPANIARDS

Villa and Carranza Alike Set in Their Purpose—Claims Conspiracy.

Juarez, April 7.—Despite expression of Washington's unofficial displeasure at the expulsion of the Spanish colony from Torreon, the purpose of the rebel leader in this regard was unshaken today. It is learned from an authoritative source that Gen. Carranza and Gen. Villa are in thorough accord on the subject and that Spanish subjects throughout the republic wherever the constitutionalists gain control, will be treated as at Torreon and Chihuahua.

George C. Carothers is known to have talked with Gen. Carranza on the Spanish question today. The conference lasted a half hour. When Carothers emerged he rushed to his automobile and refused to answer the questions of inquirers.

The purport of the conference leaked out late today through sources which hitherto have proved reliable. It was said Carothers informed Carranza that summary expulsion of the Spaniards was considered gravely at Madrid and without favor, at Washington. The general replied that evidence of Spanish conspiracy against the revolution was overwhelming in all parts of the country, that their expulsion was not only just but the part of wisdom.

THIS BEATS ANY SPRING MEDICINE YOU EVER SAW

The Way ROOT JUICE Cleans Out the Blood and Builds Up the System Is Surely a Wonder; Guaranteed.

"Glory! I've only taken that ROOT JUICE a week and feel like a new person already. It beats anything I ever saw for giving the blood and the entire body a top-to-bottom spring cleaning that people call Spring Fever."

ROOT JUICE, a genuine blood cleanser and system builder, made from a new and scientific combination of roots, herbs, leaves and barks. It's safe, too, absolutely free from any injurious or habit-forming drugs, and as a tonic for weak, run-down, debilitated people it beats anything that you ever saw in all your life.

It sharpens up the appetite, improves digestion, stirs up the liver, gently regulates the bowels, tones up the kidneys, gives new force to the nerves and strengthens, revitalizes, invigorates the whole system. For old folks it is simply a wonder. Fine for rheumatism, backache and stiff, sore joints.

And it works quickly. You don't have to use a gallon of it and take it for six months to see results. You'll see an improvement in a few days, feel new "pep" and vim and "ginger" and you'll get up in the morning after a good night's sleep rested, refreshed and ready for anything. Try it. It's guaranteed and the druggist will give you back your money if you want it after using the whole bottle. You take no chances with ROOT JUICE. It's got to do the work or costs nothing. Be sure you get the genuine ROOT JUICE. Don't let any druggist palm off some imitation on you. There's nothing just as good and there's only one genuine ROOT JUICE.

At this time of the year the body is all clogged up with an accumulation of filth and impurities that have been collecting all winter. The blood is thick, impure, and all the organs of the body are half asleep. That accounts for the well known "fagged-out," tired, lazy, good-for-nothing feeling that people call Spring Fever.

The policy of expulsion includes all Spanish subjects in Mexico. Spaniards who are naturalized Mexicans are not embraced in the general order.

ANDERSON WOMAN SENDS BULLET INTO HER HEAD

Mrs. James Murdock Kills Herself in Son's Presence—Note to Husband.

News and Courier.

Anderson, April 7.—Mrs. James Murdock, 30-year-old daughter of John

Thomas Ashley, Sr., today placed a pistol against her head and fired, the bullet entering between the eyes. She died instantly. She left a note for her husband reading as follows:

"Darling: Take care of the baby and the other boys. I know you are the dearest man in the world."

The 8-year-old son was in the room and a witness to the act. Bad health is thought to have been the cause. She and Mr. Murdock had been married ten years and their married life has been a happy one. She leaves three children.

There's No Corn That "GETS-IT" Won't Get

No More Fussing, Plasters, Salves and Corn Pains. Try the New Way.

"Just look at the way that corn comes off!" That's what you'll say when you try wonderful "GETS-IT" on that corn you've tried so long to

Madam, For Those Corns That Make You Jump Out of Your Shoes, Try Wonderful "GETS-IT."

pry off of your toe. It's easy to apply "GETS-IT"—one, two, three, and it's done! The corn begins to shrivel, away she goes, surely, absolutely. A few drops will do it. "GETS-IT" never makes toes red and raw. Corn pains go! It means the end of cutting and gouging of corns, the end of sticky plasters that don't work anyhow, the end of salves that eat up your toes, no more "harness" or fussing. Try "GETS-IT," the new, sure way, for corns and calluses.

"GETS-IT" is sold by all druggists, 25c a bottle, or sent direct by E. Lawrence & Co., Chicago.

"GETS-IT" is sold in Newberry by W. G. Mayes and P. E. Way.

"THE GREATEST KIDNEY REMEDY ON EARTH," SAYS A GRATEFUL WOMAN.

I want to tell you how much good your Swamp-Root did me. About four years ago, I suffered from what the doctors called fistula and for two years of that time, I endured what no tongue can tell. I also had inflammation of the bladder and I tried doctors, medicines without receiving any help. Someone told me about Dr. Kilmer's Swamp-Root.

After giving it a thorough trial, I received relief, so kept on using it and today I am a strong and well woman. If I ever feel badly or out of sorts, I take Swamp-Root and it always straightens me out. I honestly believe that this medicine would cure all troubles you recommend it for and it is a pleasure for me to send my testimony and photograph to you. I think Dr. Kilmer's Swamp-Root is one of the greatest medicines on earth.

Respectfully yours,
Mrs. John Bailey,
West Main St. Portland, Ind.
Subscribed and sworn to before me this 12th day of July, 1909.
C. A. Bennett,
Notary Public.

CLEMSON COLLEGE NOTES

Last Friday and Saturday, Clemson played her first games for the State championship. These two games were played with Erskine, on campus. Clemson, this being his first year at college, and also won Saturday by a score of eight to zero. The game on Friday was very interesting as the score stood one to one until the eleventh inning. On Saturday, Schache, a "Charlestonian lad" pitched for Clemson, this being his first year at college. In "shack," Clemson sees a second "Doc" Ezell.

Cadet A. R. Boyd, of Due West, will represent Clemson at the ora orical contest at Rock Hill. The "pick company" consisting of about 108 boys and the band will also go to Rock Hill for the contest. Clemson and Erskine play ball at Rock Hill on Friday also.

An inspector from the United States army will be here next Friday and Saturday to inspect the rifles, accoutrements, etc. Regular class work will be dispensed with while the inspector is here.

CLARK ARRESTED

Accused of Murder of Wife in Florence—First Theory Suicide.

The State.

Florence, April 6.—Howard S. Clark was arrested this morning by Rural Policeman S. J. Cole and Deputy Sheriff Burch on a warrant sworn out by Carl Parrott of Hartsville, brother of Clark's wife who was shot some time ago, charging him with murder.

At the time of the shooting it was generally stated that the girl had committed suicide on account of domestic troubles, and the acting coroner produced no incriminating evidence at the inquest. There was much talk, however, which has grown in the community and the officers say that the evidence is sufficient to lead them to comply promptly with the request for Clark's arrest.

When arrested Clark was indifferent, and made no objection to the arrest and imprisonment. He has been here all day arranging for counsel for his defense. Counsel for Clark tomorrow in Marion will ask for a writ of habeas corpus before Judge Ramage.
